## Forward

The board, administration, and employees expect students to conduct themselves in a manner appropriate to their age and maturity level and with respect and consideration for the rights of others. Students are expected to treat teachers, other employees, students, visitors, and guests with respect and courtesy.

Students are expected to comply with and abide by the school district's policies, rules, and regulations. Students who fail to abide by the school district's policies, rules, and regulations may be disciplined for conduct which disrupts or interferes with the educational program; conduct which disrupts the orderly and efficient operation of the school district or school activity; or conduct which interrupts the maintenance of a disciplined atmosphere. Disciplinary measures include, but are not limited to: removal from the classroom; detention; suspension; probation; and expulsion. Discipline can also include prohibition from participating in extracurricular activities, including athletics.

School Administration has the authority to assess reasonable penalties for any offense that may occur. Students or parents with questions or concerns may contact the school office for information about current enforcement of the policies, rules, or regulations of the school district.

### A Message To Parents

Parents are teachers too! You are the first, most long-lasting, most important teachers in your child's life. That is why at Clarinda Schools, we continually solicit your involvement and support. Research shows that parent involvement is high on the list of factors contributing to a student's success in school. Our goal is to work together with you to provide the best educational program possible for your children.

The following suggestions are intended to help you make a contribution in your child's success.

1. Regular and punctual attendance is the greatest factor in school success.
2. The nature of our courses is such that some work outside of the classroom may be needed. You can help by providing a place and time to study.
3. A wholesome attitude toward school is important for your child's success in school.
4. Writing full explanations with dates of absences and signing them yourself.
5. Refraining from telephoning or texting students during school hours except for real emergencies. The office will be glad to take messages for students when needed.
6. Cooperating with the school in carrying out disciplinary action when such action is necessary.

### A Message To Students

Now more than ever, the responsibilities of a student are high. The 21st century world requires highly educated students who can problem solve, collaborate, work well with others, and to "be there" so that businesses and organizations can be their best. In order to help you manage this challenge, our school made a huge commitment to provide teachers and students with a well-equipped technological structure that supports iPads for each student.

As you continue this journey of education and life, consider taking the following suggestions as guidance to help you:

- Make school a priority by being here every day.
- Engage your parents/guardian and siblings in discussion about the new learning you are experiencing at school.
- Take care of the new technology provided for you to use at school and home.
- Embrace the partnership between you and teachers to make the most of the educational opportunities.
- Elevate expectations for yourself and others by taking your thinking to higher levels.
- Do your best to improve your skill levels and follow the rules of the student handbook.
- Be an upstander by following the rules and holding others accountable to show

## **Expectations General Operating Procedures**

### **Assembly Programs:**

Assemblies will be held throughout the year for educational purposes. If you wish not to attend due to religious or personal reasons, please contact the building Principal prior to the start of the assembly.

### **Cell Phones:**

It is important for students to learn when to use their cell phones and when not to. Student cell phones are not to be utilized during class time, from the beginning bell to the dismissal bell for the period.

### **Personal Electronic Devices**

Students whose personal electronic devices disrupt the learning environment may have the device taken away.

### **Leaving The School During School Hours:**

Students are not allowed to leave the campus during the school day without permissions from the office. Parents will need to call the office to excuse their student from school.

### **Dance Regulations: ( 9th-12th Grade Students)**

All school-sponsored dances will be approved by the building principal. Once a student or group leaves the dance, they will not be allowed back in. Out of district students that wish to attend, must come with a current Clarinda student and be pre-approved by Administration at least 48 hours in advance of the date of the event. A guest sign-up sheet will be posted in the office two weeks prior to the dance. Student's guests must be under 21 years of age.

### **Dress Code and Appearance**

The Clarinda High School Dress Code is designed to encourage and promote proper grooming and hygiene, self respect and pride in appearance on our campus. Students and parents are asked to use good judgment. However, since research indicates that student dress often sets the pattern for classroom behavior, we do expect that clothes be reasonably neat, that hair be groomed, and that revealing garments are not worn. The student's general appearance must not cause a distraction to the learning environment. Decisions concerning the following guidelines will be made and enforced by all staff members.

Although the list is not all-inclusive, the following list are examples of attire that is **not considered appropriate**.

1. Students are expected to follow reasonable levels of cleanliness, modesty, morality and not allow their appearance to be a distraction to the classroom.
2. Clothing that shows an inappropriate amount of bare skin, undergarments, is revealing, baggy or is not of an appropriate size.
3. Students must wear shoes. Slippers are not considered shoes.
4. Headwear unless designated by Administration on special occasions (ex: Homecoming Week)
5. Jeans, pants or shorts with excessive holes.
6. Clothing shall not have profanity, nudity, alcohol, suggestive wording or pictures.
7. Administration will have the final decision on clothing violations.

Students not conforming to the dress code will be detained in the principal's office until the proper clothing may be secured. The student will be allowed to call home to have proper clothing brought to the school. Students will not be allowed to leave school grounds to change clothing.

### **Food and Drinks:**

Food is not permitted in the classrooms unless approved by the building principal. This would exclude food or snacks provided by the school.

Drinks will be allowed in a container that has a closed lid. Students may be asked to show a CCSD employee what is in their drink container if it is suspected to be of illegal substance.

Outside food or drinks are not allowed from the hours 7:40am - 3:06pm. Students will be asked to throw any outside food or drink away.

### **Telephone Calls And Use Of Telephone:**

Students will not be called out of class except in the case of an emergency. The office will take messages for students when needed from parents or persons on their emergency contact list.

### **Visitors To School for school year 2021-2022:**

Visitors will be allowed in school through building administration approval.

### **Attendance:**

Regular attendance is absolutely necessary for a student to gain the maximum benefit from his/her educational experience. More and more employers, colleges and vocational schools are checking on attendance records for absences and tardiness. They are aware that good and prompt attendance develops dependability in a student. There is an obvious correlation between achievement and attendance.

The Board of Education supports this by restricting excused absences to the following:

1. illness of the student (3 or more consecutive days will require a medical excuse)
2. death or emergency illness in the family
3. doctor/dental appointment unable to be scheduled another time
4. court appearance
5. family/religious activity which is cleared in advance of activity
6. school-sponsored activity
7. family emergencies

Parents are expected to telephone the school office to report student absences in advance of the start of school, if possible, and in all cases by 9:30 a.m. of the day the absence occurs. Any absence that occurs without advance notification by the student's parent will be classified as "UNEXCUSED."

Any absence which does not meet any of the criteria listed above for an excused absence, but there was parental/caregiver knowledge of the absence, will be classified as unexcused.

Unexcused absences include, but are not limited to:

- oversleeping; missing the bus; car problems; shopping; hunting; concerts; hair appointments; sports physicals; taking, or picking up proofs for senior pictures; getting driver's license/permit; or working for someone other than a parent/caregiver.

Students denied course credit based upon excessive absences may utilize the due process procedures available at the 7-12 building. Students who desire to appeal the administration's decision, must notify the Superintendent within 5 days of notification of the decision, and return a completed form to the Superintendent's office.

### **Student Appeal for Credit - Procedure:**

1. The 7-12 Administration will give notice to any student who reaches "No Credit Status" as a result of excessive absences.
2. Any student denied credit as a result of excessive absenteeism would be issued a "Student Appeal for Credit Form." The office will fill in the number of absences and due date at the time the form is given to students.
  - a. NOTE: An appeal deadline is established within the last week of each semester. If a student's excessive

absences earn "No Credit Status" after the deadline, the due date of the appeal for credit form will be extended up to one week after the last absence.

3. Students will have the opportunity to explain and validate their attendance record on the appeal form. The student and a parent/caregiver must sign the appeal form.
4. The student must return the appeal form to the office by the due date noted.
5. When the appeal form has been appropriately completed, the appeals committee will review the data provided, question the student (parent/caregiver is encouraged to attend), make a decision, and notify the student and parent/guardian in writing of their decision.

### **Make-Up Work**

The responsibility rests with the student for arranging to make up work. Students should make contact with their teacher either before or after school. A student has 2 days for each day of an excused absence to turn in make-up work assigned, except when the absence has been more than 3 consecutive days. In this case, more time may be given depending upon the individual case, with the teacher and student determining when make-up work will be due. Announced exams must be taken on the day the student returns to school.

### **Truancy**

Any absence that occurs without parental/caregiver knowledge will be classified as truancy. A student can be truant for the entire school day, a partial school day, or from a class or study hall. Parents/Caregivers will be notified if a student is truant from school. The building administration is responsible for discipline if needed for truant students. Make-up work will not be allowed for truancy. Excessive truancy, which is more than three (3) incidents in a semester, may result in the loss of credit in courses impacted.

### **Attendance and Co-Curricular Participation:**

Any student who is absent and does not report to school by 9:00am, (excluding field trips and excused appointments) will not attend or participate in any performance, rehearsal, game, meet, contest, or practice on that calendar date. The building Principal may use discretion based upon extreme circumstances. For this consideration, a phone call must be made by the caregiver to the principal prior to the student coming to school.

### **Excessive Absences:**

Regular school attendance is essential for the student to make the most of their education, to benefit from teacher-led activities, to build each day's learning on that of the previous day, and to grow as an individual.

### **Policy:**

The Clarinda School Attendance Policy states that parents of students who have 5 absences will receive a phone call from the student's homeroom teacher. Upon 8 absences during the school year, parents will receive a letter informing them that their child is on the verge of having attendance issues and that any further absences will need to be documented with a medical excuse. Students with 13 absences during the school year, will receive a letter informing them that their child is having attendance issues and that a mediation meeting needs to be held at their earliest convenience. The student, parent, and building Principal will be in attendance. If the attendance issue is not corrected at 15 absences, the issue may then be referred to the County Attorney's Office for truancy.

### **Documented Absences:**

A documented (previously excused) absence is an absence that has supporting documentation such as an appointment that is considered unavoidable. An absence with a parent note is not necessarily considered a documented absence.

### **Student Absences:**

Parents are requested to notify the principal's office (712-542-5167) when students are not going to be in school. The school secretary will attempt to call if notification is not received.

**Truancy:** In Iowa, truancy is defined as "any child over seven and under sixteen years of age, in proper physical and mental condition to attend school, who fails to attend school regularly, without a reasonable excuse for their absence, shall be deemed a truant." Parents who fail to ensure their child is in school may have charges filed against them under the "child in need of assistance" provision of the state.

**Compulsory Attendance:** Parents within the school district who have children over age six and under age sixteen by September 15, in proper physical and mental condition to attend school, shall have the children attend the school district at the attendance center designated by the board. Students shall attend school the number of days that school is in session in accordance with the school calendar. Students of compulsory attendance age shall attend school a minimum of 175 days. Students not attending the minimum days must be exempted by this policy as listed below or, for students in grades 7-12, referred to the county attorney or, for students in grades K-6, referred to the Attendance Cooperation process. Exceptions to this policy include children who:

- have completed the requirements for graduation in an accredited school or have obtained a high school equivalency diploma;
- are attending religious services or receiving religious instruction;
- are attending an approved or provisionally approved private college preparatory school;
- are attending an accredited nonpublic school; or,
- are receiving competent private instruction.

It is the responsibility of the parent of a child to provide evidence of the child's mental and physical inability to attend school or of the child's qualifications for one of the exceptions listed above.

### **Tardy Policy:**

Tardies to school will be recorded and monitored in the office. A student's history of tardies will be maintained on a school quarter (9 weeks) basis. A tardy is defined as arriving late to class ten (10) minutes or less for unexcused reasons. Passing time is three (3) minutes. This is adequate time to take care of all hallway business and arrive at the next class on time.

1. Students arriving late for school in the morning must report directly to the office.
2. Any student reported tardy 3 or more times in a school quarter will forfeit his/her Open/Off Campus or Honors Study Hall for the remainder of that quarter.
3. The Building Principal will monitor tardies and assess any discipline if necessary.

## **Rights And Responsibilities**

### **Cars/Motorcycles/Mopeds:**

Driving a motor vehicle to and from school is a privilege - not a right. Permission to drive to and from school can be removed by poor driving habits in and around the schools, as reported by school staff, students and/or patrons. In order to ensure maximum student and vehicle safety and to prevent complaints concerning student driving, several regulations need to be observed.

1. Students are to park in the student parking lot on the north end of the building.
2. Vehicles are to be parked in designated areas/spaces.
3. Vehicles are never to pass a parked bus loading or unloading.
4. Vehicles should not block or interfere with the passage of other vehicles.
5. Students are not to be in the parking lot during the school day without special permission from school administration (Principal/AD)
6. Students are not to loiter in their vehicles upon arrival to or prior to departing from the school parking lot.
7. Parking in the fire lane is prohibited.
8. The front drive is for buses only at loading or unloading time. Vehicles must use the northeast entrance/exit during this time. No traffic is permitted in the front parking lot while buses are loading and unloading.
9. Use a low rate of speed when buses are in and around the loading/unloading areas of the attendance centers, as many students are changing buses for different destinations.

### **Complaints And Grievances:**

It is the goal of the district to resolve student grievances at the lowest level. Students are encouraged to address problems to the teacher or other CCSD employee, other than the administration, for resolution of the complaint. If the teacher cannot resolve the complaint, the student may discuss this matter with the principal within 10 days. If the principal cannot resolve the matter, the student may discuss it with the superintendent within 10 days after speaking with the principal.

## **Internet Access**

## **Open/Off Campus Guidelines:**

Juniors and seniors may apply for Open/Off Campus privileges. Students do not have a right to Open/Off Campus; it is an option provided to those juniors and seniors who have demonstrated a high level of maturity and can handle the responsibilities of a less structured school environment. Students on Open Campus are required to be in attendance during the times that their classes are in session and for scheduled assembly programs. Seniors who are passing all classes and exhibit responsible behavior are not required to attend first or eighth period study halls. Juniors who are passing all classes must have earned Open Campus privileges to be excused for any portion of the school day, including study hall first or eighth period. It is very important that students on Open Campus are in school for their classes. The Open Campus option is awarded to students who have earned a GPA of 2.60 for the previous grading period and received passing grades in all courses and satisfactory progress of, including but not limited to, college classes, advanced placement courses, online options, etc.

Students opting for Open/Off Campus OR Students traveling off campus for CCSD/IWCC Courses must adhere to the following responsibilities:

Exhibit responsible behavior, defined as:

- Students must be on time for class. Any student reported tardy 3 or more times in a quarter will forfeit their Open/Off Campus for the remainder of that quarter.
- Students reported un-excused for any part of the school day will forfeit their Open/Off Campus for the remainder of that quarter.
- Repeated violations of school rules/policies may result in the forfeit of Open/Off Campus. • Students will forfeit their Open/Off Campus if found with a truant or unexcused student. • Students found to have violated the Good Conduct Policy will forfeit their Open/Off Campus for the term of the Good Conduct ineligibility.
- Parents must have signed a completed Open Campus application and the application must be on file in the office for a student to be eligible for Open Campus.

(Note: A parent/caregiver or the principal may remove Open/Off Campus privileges from a student at any time.)

\*In the event a student violates the above responsible behaviors for CCSD/IWCC courses, that student may remain on the CCSD 7-12 building main campus and remote in for learning purposes. This will be determined by the building administration

## **Signs, Banners, Posters:**

Signs, banners and posters may be posted with permission from the building principal or AD.

## **Semester Exams (Grades 9-12):**

At no time are students or visitors authorized to video capture, photograph, or audio record others in the school building, on school property (to include school vehicles), or at school activities (unless recording a public performance, such as a game, honor assembly, concert, contest, etc.), without the consent of a teacher, coach, or school administrator

- Be prepared for class.

This option is employed when a student's behavior creates a hostile environment or represents a gross or chronic infraction of school rules. Credit will be awarded for all completed assignments handed in upon a student's return to school. Assignments not completed upon a student's return to class will receive a zero. A student is not allowed on school property while serving an out-of-school alternate placement or suspension.

Students who wish to have the privilege of participating in extracurricular activities must conduct themselves in accordance with board policy and must refrain from activities, which are illegal or violate the Code of Conduct. Students who fail to abide by this policy and administrative regulations supporting it may be subject to disciplinary measures. Students wanting to participate in school activities must meet the requirements set forth by the school district for participation in the activity.

Students who represent the school in an activity are expected to serve as good role models to other students and to the members of the community.

Any student who admits to or who is found to have used or to have been in possession or control of an alcoholic beverage (as defined in Chapter 123 of the 1999 *Code of Iowa*) or a controlled substance (as defined in Chapter 124 of the 1999 *Code of Iowa*), or who admits to or is found by school administration to have used or possessed cigarettes, vapes, juuls or tobacco products (as defined in Chapter 453A of the 1999 *Code of Iowa*) or to have committed any criminal offense (other than minor traffic violations), shall be ineligible for public performances in his/her current extracurricular activities.

### **Suspension from Sporting Events - Regulations**

Suspension from sporting events is described below. The number of suspensions listed represents dates; not necessarily games/meets. The suspension will move to the next regularly scheduled date if the activity scheduled on one of the identified dates is postponed or cancelled. Each day of a multi-day meet or tournament is considered a date (e.g. John Harris Wrestling tournament is two dates). Furthermore, the suspension applies to the student's primary level of competition. Additionally, the student will be ineligible to compete in all other performances or contests at any level during the primary level suspension period.

If a sports season ends prior to completion of the suspension, there will be a "carry-over" to the next sport in which the student is participating. Also, the student will be required to complete the sport season in which they are participating, or the suspensions served during that season will be invalid.

During the suspension period, the student will be expected to continue practicing, but will not be able to participate in contests or performances, as outlined below:

Following a violation in Category A or B, the student will complete a series of questions (short answer & essay) pertaining to drug awareness/illegal offenses, and will address issues such as: effect on self, effect on family and others, effect on other members of the team/group, knowledge of the good conduct rule and what happens on the next offense, etc. The student will remain ineligible as long as the educational component is incomplete.

Satisfactory completion of the educational component will be determined by the administration.

### **Honesty Clause/Timely Admission**

We want to encourage students to be honest with the school regarding violations of the Good Conduct Rule. Students who make a “timely admission” to school administration regarding a violation of the GCR will be given the opportunity to take a one-performance/contest suspension reduction in all activities to which the suspension applies.

“Timely Admission” means the student notifies school administration on the next day of attendance following the violation. If the violation occurs during the summer break, the student has (3) days to make a “timely admission” to school administration. This “timely admission” option is available only once and only with a first violation of either Category A or B.

### **PENALTIES:**

When the administration believes it is more likely than not that the student violated the Good Conduct Rule, during the school year or summer, the student is subject to a loss of eligibility as follows:

First Offense: up to six (6) weeks of ineligibility.

Second Offense: up to ten (10) weeks of ineligibility.

Third Offense (and each subsequent offense): up to twelve (12) calendar months of ineligibility. An ineligible student is expected to continue to attend all practices, rehearsals, or organizational meetings to the conclusion of an activity, but may not “suit up”, perform/ participate, nor exercise the duties or privileges of any school organizational office.

### **Reduction in penalty:**

**First Offense** - A two (2) week reduction period of ineligibility will take place if a student “self reports” a violation to the principal/activity director after having had opportunity to do so. To “self report” a student must notify a school administrator of the Good Conduct violation the first school day following the incident and/or before the school administration is made aware of the incident from another reliable source.

**Second Offense** - A two (2) week reduction of ineligibility will take place if a student “self reports” a violation to the principal/activity director after having had opportunity to do so. To “self report” a student must notify a school administrator of the Good Conduct violation the first school day following the incident and/or before the school administration is made aware of the incident from another reliable source.

student to keep the student's assigned locker clean and undamaged. The expenses to repair damage done to a student's locker may be charged to the student. A student's locker may be searched whenever an administrator or teacher has a reasonable and articulable suspicion that a criminal offense or a school district policy, rule or regulation bearing on school order has been violated and the administrator or teacher has a reasonable and articulable belief that the search will produce evidence of the violation. Illegal items may be given to law enforcement officials. Lockers may be searched at any time with at least two people present. Locker maintenance inspections are conducted periodically throughout the school year to ensure that lockers are kept clean and well maintained.

Such violations may also be reported to local law enforcement authorities.

### **Video cameras**

The school district will annually provide the following notice to students and parents: The Clarinda Community School District Board of Directors has authorized the use of video cameras in school buildings and on school grounds. The video cameras will be used to monitor student behavior, to maintain order, and to promote and maintain a safe environment. Students and parents are hereby notified that the content of the videotapes may be used in a student disciplinary proceeding. The content of the videotapes are confidential student records and will be retained with other student records. Videotapes will only be retained if necessary for use in a student disciplinary proceeding or other matter as determined necessary by the administration.
