

# Tap into the mobile opportunity

## EBS Mobile App

The healthcare app for people on-the-go.

The mobile app is truly the simplest way for a member to view and manage their account.

## Take action while you're away

Download “**Benefits at EBS**” from the device of choice – including Apple® and Android™ smartphones, and tablets.

- File claims for medical and dependent care FSA and HRA
- Snap a photo of a receipt and upload it to a new claim or add to an existing claim
- View current balances
- Find important dates (*final service date & final filing date*)
