Attention:

Students, Staff & Parents,

On Friday, due to rising concerns over increasing numbers of positive COVID-19 cases, our team had to make a very difficult decision to make adjustments to our Fall Play. Having visitors in our buildings increased health and safety risks for our students, and we desired maintaining our “bubble” strategy as much as possible. Our students demonstrated resilience and performed on stage for a livestream audience.

After conversations with Page County Public Health, health providers and school administrators, the decision has been made to press pause on all activities/athletics until Sunday, November 15th, 2020. This means that all student activities, meetings, athletic games/practices, etc. that take place before or after school will not be allowed at this time.

We will continue to evaluate the ongoing pandemic and its effect on our school day and activities/athletics throughout the next few weeks.

As always, our #1 priority is the safety and care of our students and staff. Continuing in-person learning is our plan, as it provides stability for our students, staff and community.

We appreciate everyone's support as we continue to navigate through these unprecedented times.

Sincerely

Clarinda Administration Team
