

01/31/22

Dear Staff and Families,

Communication is critical to creating a culture of care and forward progress. In the past few years, the district has updated the website design, sought feedback for user-friendly navigation, added Instagram to our social media platform, focused on Facebook posts featuring a wide-range of activities and celebrations, sent out weekly newsletters to afford all stakeholders the opportunity to stay informed.

In the near future, you will find an update to our Board Info on our website. For now, the links you might choose to access are as follows:

[School Board YouTube Channel](#)

[January 26th, 2022 School Board Meeting](#)

[2/9/2022 Regular School Board Meeting](#)

Thanks for considering joining us!

Take care,

Chris

Chris Bergman  
Superintendent  
Clarinda Community School District  
423 East Nodaway
