Lesley Ehlers - PK-6 Principal

Jake Lord - Activities Director

Kelsey Potratz - PK- 6 Dean of Students

Courtney Ridge - Associate Activities Director

Clarinda Community Future Facilities Engagement Team:

The Clarinda Community Future Facilities Engagement Team will meet from September through November. We will be exploring what the long-term facility plan should look like in our school district. What a referendum question to begin work on a long-term facility plan may look like from a scope and cost standpoint. While the School Board will have many factors to consider, the Board is particularly interested in the perspective and recommendation of broad and diverse community members.

If you are interested in serving in this capacity, you should be able to commit to attending all meetings in their entirety (meeting dates are listed below). Sessions will be held between 6:00-8:00 PM. Please understand that we would like a representative sample of our community to participate on the Advisory Team; therefore, not everyone may be able to participate. All task force meetings will be open to the public, and we are exploring other ways to gain public input in the process – especially for those who are not selected for the task force or cannot commit to all the meetings. If you wish to apply, applications will be due by September 2nd, 2022.

Meeting Dates: September 7, 2022, September 21, 2022, October 5, 2022, October 17, 2022, November 2, 2022
